Pharmacist Learning Objectives:

South Carolina Pharmacy Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Statements of continuing education credit will be distributed to participants who fully attend the program and then complete an online program evaluation (partial credit will not be given). A unique code given at each activity must be provided in the evaluation in order to receive credit. Grievances regarding the education program must be submitted in writing to the SCPhA ACPE Administrator immediately following the program.
