

# DSCSA eLearning

Brought to you by **INFINITRAK**

COMING SOON IN  
NOVEMBER

## Mindshare Made Easy

DSCSA eLearning is your one stop virtual resource for curated materials and educational tools so you can find what you need in one place and stay in the know regarding the Drug Supply Chain Security Act (DSCSA). As DSCSA regulations evolve, and guidance on federal enforcement is shared, DSCSA eLearning is at your fingertips to both educate and train your organization members, pharmacy staff, and pharmacy students, with industry partners providing valuable mindshare.

InfiniTrak has partnered with industry thought leaders and resource providers to bring you this online tool- to easily gain access to valuable educational assets and help share knowledge and forward facing trends in track and trace readiness related to the DSCSA.

Visit [www.DSCSA.Training](http://www.DSCSA.Training) to:

- Gain access to helpful tools on *Understanding the Law*
- Download a Tip Sheet to *Assess Your DSCSA Needs*
- Review your *DSCSA Readiness*
- Access a Video Library with *Educational Webinars*
- Find quick links to *FDA Resources*
- Gather information on the latest *DSCSA Pilots & Studies*

DSCSA *Readiness*  
Information is  
**POWER**

### SOCIAL SHARE

Spread the word on DSCSA eLearning through social media and online for grassroots awareness. Link to [www.DSCSA.Training](http://www.DSCSA.Training) from your organization's website and share **#DSCSAeLearning**.

### AWARENESS

Use your organization's thought leadership to pave the way for what's next in the technology that serves the future of track and trace.

### CAMPAIGN COMPLIANCE

Nurture Independent Pharmacy business growth by advocating best practices and efficient solutions to work smarter and keep ahead of compliance.
